EXPERIENCE THE DIFFERENCE

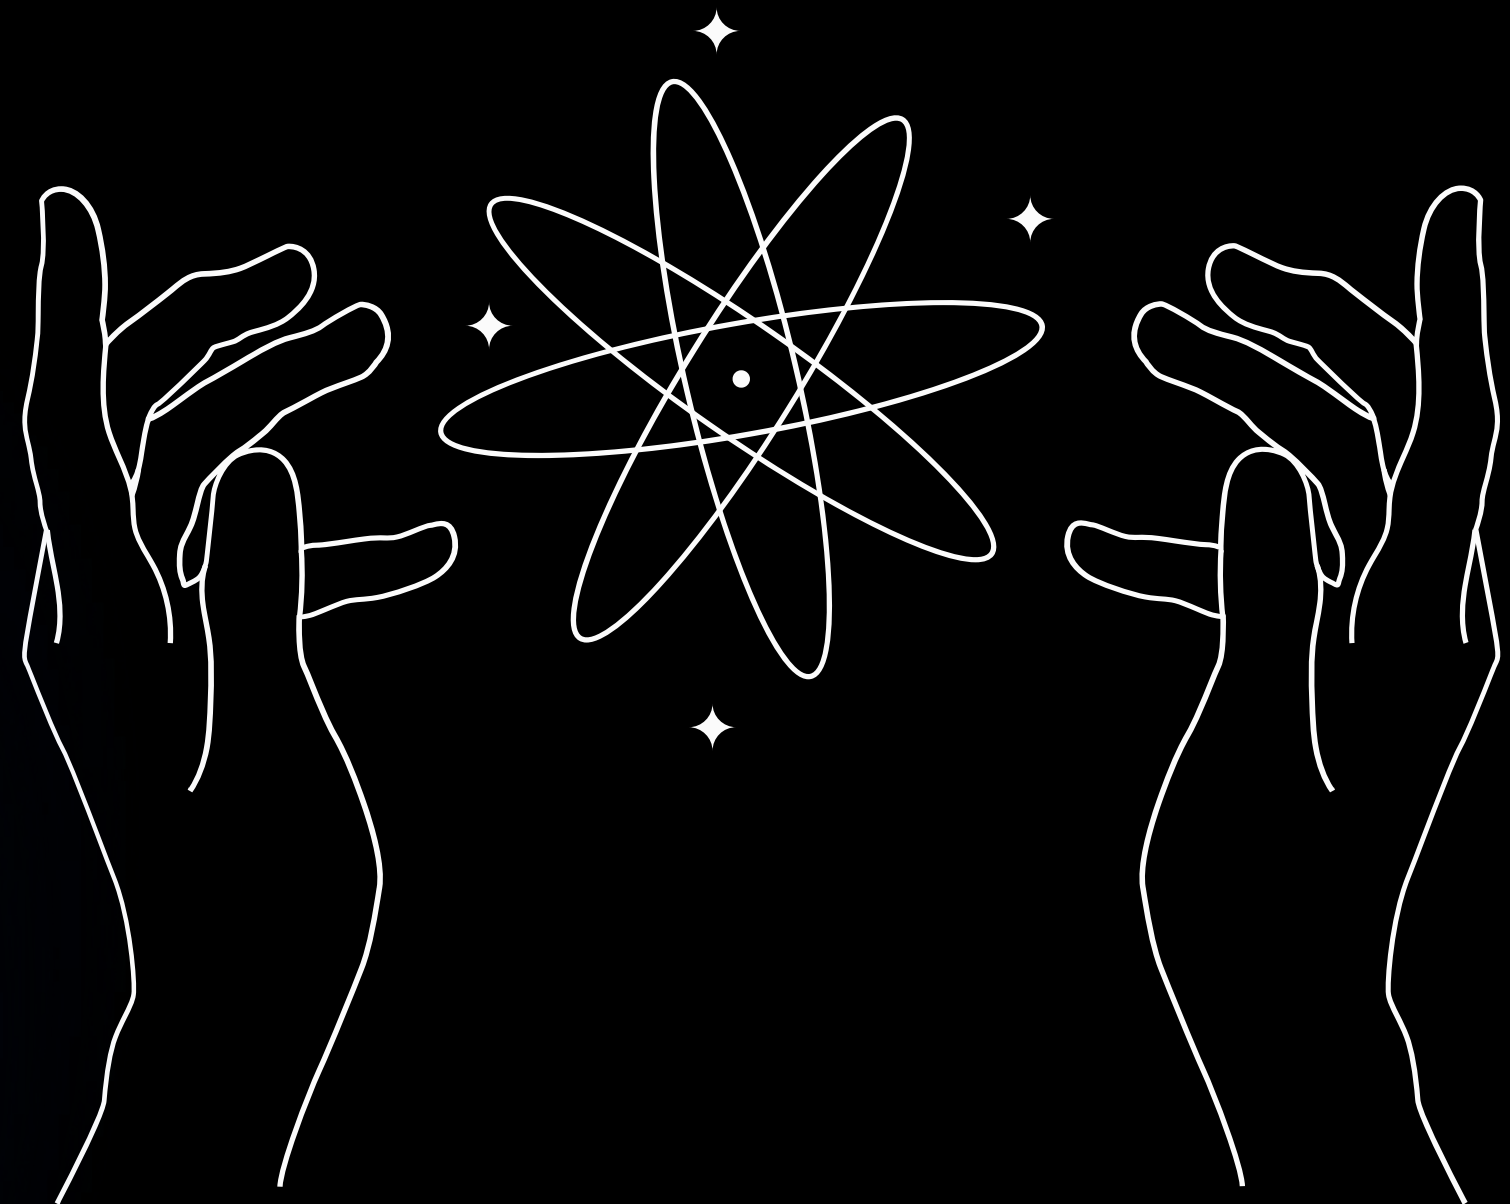

# WELCOME TO URBANWEB

---

Every great idea begins with a spark. For Mr. Bhushan More and Mr. Mayur Pataskar, that spark was ignited in 2019 when two IT professionals came together, not just to code and create, but to envision a new way of delivering creativity to the world. By 2020, their shared passion for innovation, design, and technology culminated in the birth of UrbanWeb Creative Agency—a space where creativity meets strategy and ideas transform into impactful digital experiences.

UrbanWeb started as a humble partnership but quickly grew into a powerhouse of creative solutions. Whether it's crafting immersive websites, designing memorable logos, or producing captivating audio-visual content, UrbanWeb has made its mark as a trusted partner for businesses looking to stand out in the digital age. Today, UrbanWeb Creative Agency is more than just a company—it's a storyteller, a dream-builder, and a bridge between businesses and their audiences. With every project, we don't just deliver a service; we deliver a promise of innovation, quality, and a vision to shape the future of digital creativity.

# VISION

---

To be a global leader in digital creativity, delivering innovative and meaningful solutions that transform businesses.

# MISSION

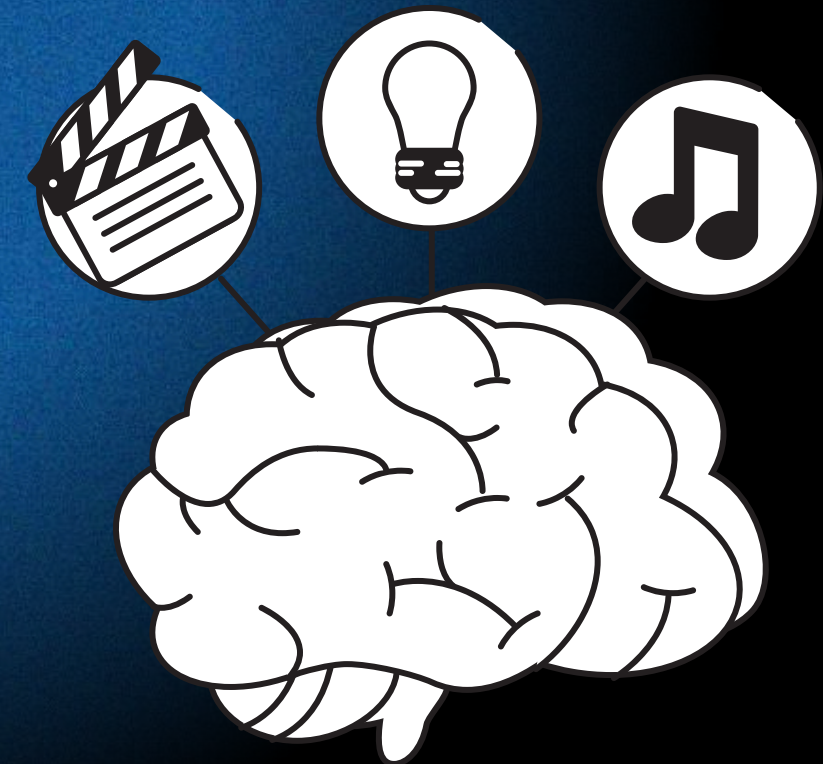

---

To empower businesses with bespoke creative solutions that inspire engagement, elevate brands, and drive measurable success.

# VALUES

---

- Innovation: Constantly pushing boundaries with fresh ideas and cutting-edge technology.
- Excellence: Delivering high-quality work that exceeds client expectations.
- Collaboration: Building strong relationships through transparent and effective communication.
- Adaptability: Staying ahead by embracing emerging trends and technologies.

eAarjav

## eAarjav-An Holistic Plagiarism Detection System

Aarjav in Sanskrit means honesty, & eAarjav means "Honesty in the e-world" eAarjav ensures "Integrity" and "honesty" by detecting and preventing plagiarism. It helps drive creativity & innovation. eAarjav, the most advanced plagiarism detection system, provides comprehensive solution to address plagiarism. Our system carefully analyzes the written material to check for the originality of the content. The system performs a detailed analysis of the submitted text and image to identify the part of the document that is similar with other sources.

eAarjav is committed to make the Indian Education System world-class.

### 4 Pillars of Addressing Plagiarism

- Awareness
- Detection
- Penalty
- Policy & Culture

data hosting

### WHY eAARJAV ?

- Cross-Language Checking
- Content check in multiple languages
- Detection of paraphrased content
- API based integration
- Image Check

Available at [WWW.EAARJAV.COM](http://WWW.EAARJAV.COM)

### About Company

Established in 2017 in Pune, Impact Tool Crafts has rapidly grown into a leading manufacturer of high-quality plastic parts and precision stamping components. Our expertise extends across a broad spectrum of industries, where we provide custom solutions that meet the most stringent requirements.

Our facility boasts a state-of-the-art, comprehensive tool room equipped for advanced mold-making and product development, allowing us to deliver tailored solutions that align with our clients' unique specifications. We pride ourselves on upholding the highest standards of ethical business practices, which form the foundation of our company's values and guide every decision and action we take.

Spanning over 6,000 square feet, our facility is designed to optimize efficiency and quality in every aspect of our operations, ensuring that we consistently meet and exceed our clients' expectations.
